Özgür Hazar Releases Uplifting & Emotional Blues/Rock Album  
'Sad And Blue'

## **About The Release**

Özgür Hazar returns to deliver his latest blues/rock album 'Sad And Blue'. The nine-track album features emotional instrumentation, story-telling lyricism, and anthemic vocal performances by Özgür Hazar and many others. 'Sad And Blue' radiates a story-telling, inspirational vibe that will feed the soul. Undoubtedly, the album has the ability to impact the listener as it contains a unique style that gives the overall song an identity. From 'Sweet Angel' to 'Fuzz Funk', the album has it all to impact the listener. The powerful guitar riffs, uplifting instrumentation, the lyrical depth, and the overall flow of the album will take the listener into a musical journey. 'Sad And Blue' has the ability to resonate with any blues aficionado as it has every element to be catchy, memorable, and impactful. Out in January 2020, Özgür Hazar will tour and promote the album around Belgium and the Netherlands.
